OFFERED BY
D. M. Ferry & Co.
Seedsman
DETROIT - MICHIGAN

SPECIAL NOTICE

WE HANDLE absolutely nothing that we do not believe to be the best obtainable. Our unequalled advantages for the production of the best seeds enable us to offer them to our customers at the lowest prices for which well grown and selected seeds true to name can be furnished.

Cheap goods in our line should be resolutely shunned by all dealers who want to supply seeds that will satisfy and make money for the planters and gardeners who trust them with their orders. Our seeds have behind them a history of constant success during the past sixty-eight years and we continue to affirm—

*The best is always the cheapest;
Reliable seeds cannot be afforded at half price.*

☞ These prices are made in anticipation of probable results of crops, therefore, we are not bound by them for any definite time or quantity and they are subject to change without notice.

Seeds in bulk are sold outright and are not returnable.

The prices are for delivery f. o. b. cars, Detroit, Mich., and do not include the cost of containers. When seamless cotton grain bags, boxes, or barrels are necessary for safe transportation, such packages are charged at value and are not returnable.

We do not supply less than 10 pounds at the 100 pound rate nor less than one-half pound at the pound rate nor less than one-half ounce at the ounce rate. Smaller quantities will be priced at higher rates.

The varieties in each class (for example, Wax Podded Beans) are usually arranged in their order of earliness.

TERMS NET CASH, June 1st, 1924, without regard to date of purchase, or a discount of one per cent. per month for the unexpired time when paid before maturity. Field Peas, all Grass and Clover Seeds, Miscellaneous Farm Seeds and Bird Seeds, net cash 10 days, without any discount whatever. Cash or satisfactory references should accompany orders from unknown correspondents.

We give no warranty, express or implied, as to description, purity, productiveness, or any other matter of any seeds we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms they are at once to be returned.

D. M. FERRY & CO.

DETROIT, MICH., January 1, 1924.

TELEGRAPHIC CIPHER

By making use of the following Telegraphic words for weights, together with the Telegraphic Cipher attached to each article in this list, our customers will be able to order by wire at trifling expense. The Telegraphic words for QUANTITIES must always PRECEDE the cipher words for Seeds, but if the same quantity of several articles is needed, the word for that quantity should be placed before the word for the first article only. For example:

“**Freight Adjust Lagrange, Lemhi, Lorain.**” Means “Ship by first freight One Hundred Pounds each of Ferry’s First and Best, Telephone and Champion of England Peas.”

“**Express Abort Caddo, Cannon, Catoosa.**” Means “Send by first express Two Pounds each of Early Jersey Wakefield, Early Winnigstadt and D. M. Ferry & Co’s Premium Late Flat Dutch Cabbage.”
